A photograph showing a large, uncontrolled fire burning through a massive pile of waste. The waste includes plastic bags, cardboard, and other debris. Thick, white smoke billows upwards from the fire, partially obscuring the background. The scene is outdoors, with some greenery visible on the left side. The overall atmosphere is one of environmental pollution and hazardous waste management.

www.astrospario.gr

A large, chaotic pile of waste, including plastic, metal, and organic matter, is burning. Thick white and grey smoke billows upwards from the pile, partially obscuring the background. In the distance, a utility pole and a building are visible under a cloudy sky. The overall scene depicts an uncontrolled waste incineration site.
